RelianSys

File Types That Can Be Uploaded

The RelianSys® Governance System allows files to be uploaded to the secure host server at a variety of places throughout the modules.

The list below are all of the file extensions that **are** supported. If you want to upload one that is not on the list, contact us. File extension types that are not on the list are not currently supported, and if uploaded won't be able to be opened.

7Z	EMF	OFT	PUB	VSD
ABA	HTM	PDF	RTF	XLS
CSV	JPG	PNG	TXT	XLSM
DOC	MHT	PPT	TIF	XLSX
DOCM	MSG	PPTM	TR5	XML
DOCX	N60	PPTX	TRF	XSN
DOTX				

The file extension types below **are not** supported:

EXE

FNL

INI

(No Extension)
